

ICS® Accessories

SpeedHook® requires less operator effort for more precise cuts.

SpeedHook® is an ingenious accessory that attaches quickly and supports the weight of your saw to dramatically reduce operator fatigue. SpeedHook® increases saw stability during cutting and also increases chain life. SpeedHook® works with both gas and hydraulic saws.

Carrying Cases

Protect your investment with a high quality carrying case from ICS®. Cases available for the 613GC and 853PRO Series saws, will help you transport and store your saws, diamond chains and bars together so they are always ready for the next job.

P90 Power Pack

The ICS® Multiflow Power Pack is a dependable self-contained source of hydraulic power that is easily transportable to any job site.

ICS® 2-Stroke Oil

ICS has developed an oil formula that is cleaner burning, provides better thermal protection and an improved film barrier which reduces piston ring wear.

Flow Adapter Valve

Leave the noise and fumes a comfortable distance away. Smooth, quiet operation of any ICS® hydraulic saw can be powered from other hydraulic equipment with a simple adapter.

Total Slurry Solutions (TSS™) Hi-Lift Performance Vacuum Systems

Total Slurry Solutions (TSS™) is a line of products designed to make your job easier and cleaner. The new TSS™ Hi-Lift Performance vacuum systems provide an easy way to contain and dispose of the slurry produced when wet-sawing or drilling in concrete or other masonry or stone materials.

Guide Bars

Genuine ICS® cutting guide bars, replacement parts and other accessories keep you cutting at peak efficiency!

14H-Hydraulic Cut-Off Saw

Excellent for long, straight cuts where depth of cut is not an issue.
