

7" TILE SAW 60083

Unlimited!
Extra large aluminum cutting surface

Precision!
Laser cutting guide projects the path of the blade

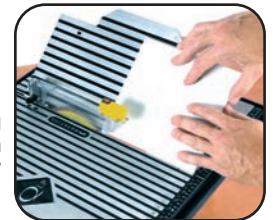

Portable!
Convenient handle for easy transport

Self-contained!
Water run off collection system

Accurate!
Adjustable angle and rip guide

Powerful!
1 HP direct drive motor

Convenient!
Adjustable tilting table for precision 15°, 30° and 45° miter cuts

The 60083 was originally designed as a portable saw to handle any DIY project but was then improved and strengthened to target the contractor market, since it is ideal on job sites where space prohibits the use of a large wet saw. Users will also be surprised by the strength of its true 1 HP motor. The power of this motor allows cutting through ceramic, terra cotta, granite, etc. The water catch system not only reduces water run off but it recycles the water back into the reservoir minimizing fill frequencies. This is a very powerful addition to your saw line up at a very economical price.

Q.E.P., the brand that stands for excellence.

SPECIFICATIONS

Item No:	60083
Motor:	1 HP
RPM:	3300
AMPS:	6.25
Blade Capacity:	7"
Arbor:	5/8"
Size:	23.2"L x 20.4"W x 10.4"H
Weight:	36.68 lbs.
Cut Sizes:	Unlimited
Depth of cut:	1"
