

## **ETP-400 (MOD'FD) – Single Button OEM Emergency Phone**

### **Description**

The **ETP-400 (MOD'FD)** is an outdoor-rated, ADA-compliant hands-free Emergency Phone without a faceplate. It is designed to be flush mounted on an existing front return or side wall.

### **Features**

- Vandal resistant metal call button
- Uses regular phone lines or PBX
- Phone line powered: no power supply or battery back-up needed
- Auxiliary input and outputs to integrate with CCTV, Blue Light Strobe, Scream Alert™ and other devices
- Push button once to call, then speak hands-free
- LED indicator for hearing impaired
- Built-in auto-dialer can dial two numbers: if first number doesn't answer or is busy, dials second number.
- Auto-answer allows security to monitor and initiate calls with Emergency Phone
- Options available that offer the ability to automatically identify attendant of location of calling phone by recorded message and digital display
