

ETP-402C – Dual Button Emergency/Information Phone

Description

Model **ETP-402C** is an outdoor-rated, ADA-compliant hands-free 2-button Emergency/Information Phone for use in locations such as: parking facilities, college campuses, controlled access gates, medical centers and industrial parks.

Features

- Two buttons for both Emergency and non-Emergency calls
- Cast metal raised letter and Braille signage for ADA compliance
- Vandal resistant stainless steel faceplate and metal buttons
- Uses regular phone lines or PBX
- Phone line powered: no power supply or battery back-up needed
- Auxiliary input and outputs to integrate with CCTV, Blue Light Strobe, Scream Alert™ and other devices
- Push button once to call, then speak hands-free
- Circuit boards are conformally coated for water protection
- LED indicator for hearing impaired
- Built-in auto-dialer can dial two numbers per button: if first number doesn't answer or is busy, dials second number.
- Auto-answer allows security to monitor and initiate calls with Emergency Phone
- Options available that offer the ability to automatically identify attendant of location of calling phone by recorded message and digital display
